

## CHANGING GLASSES

My part as speaker.. effective even before I got up here. Look at the seats it has emptied. Didn't a lot of adults follow Leroy the Lion out? Tranpling Tim's holy ground.

Thank elders, or apologize for them. Forgive one lapse of judgment. One time: satisfaction in one effort. Purpose: to make you appreciate Tim and Ron more. These men have devoted themselves to excellence. I aimed for mediocrity. Blue Ribbons. Two minutes--300 --10 man-hours. Use that many between Uhs & Ahs. Any time that I start talking too fast for you--

It was hard for me to admit that I needed glasses, but what a relief!  
I change with time; so glasses must be changed.

### WE ALL WEAR INTERPRETATIVE GLASSES.

Don't drink it.

Discuss it with elders.

Have I been presumptuous? Boring?

You have been courteous.
